Describe the facts associated with this request

The Pac-12 Conference and the NCAA Sport Science Institute are co-hosting the 2020 Student-Athlete Mental Health summit at the UCLA Luskin Center on January 16-17, 2020. The Athletics department and/or their respective coaching staffs would like to cover the registration cost for their volunteer coaches to attend the summit. NCAA Bylaw 11.01.6 precludes volunteer coaches from receiving any remuneration and limits the institution's ability to pay for any professional development opportunities. If permitted, UCLA would like to extend this opportunity to the volunteer coaches across all applicable sports.

What are any relevant mitigating circumstances that should be considered when reviewing the request?

The 2020 Student-Athlete Mental Health summit is an event hosted on campus and is in direct partnership with both the national and conference office. Since the event is on campus, there will be no other fees associated with attending (e.g. lodging, travel, etc.). Student-Athlete mental health is a hot topic both at the national level and on campus. Volunteer coaches work directly with student-athletes on a daily basis and providing them the opportunity to learn more about the subject matter will improve their ability to elevate the student-athlete experience. As volunteer coaches, NCAA rules precluded them from receiving any remuneration and paying the registration fee poses a financial burden for those interested in attending.

Have you previously contacted any NCAA staff regarding this request? No
